N. O. P. B. & S. H. Some leather's mean. Some workmen are mean. Some shoeellers are mean. That's how mean shoes get made and sold. Six out of every ten pairs of shoes are shams-pasted stock "pancakes." Bits of useless leather are pressed and made into in-soles, just as bits of useless wool are carded with long cotton and made into shoddy.

Never was a time when shoes looked so well and wore so badly til the shoeing of a whole family has come to be a serious task: There's no reason for mean shoes. Some shopkeepers see a reaon for them in their cheapness, but if that's so then the meaner they

are made the better. (You wouldn't tolerate the reason for a moment put in that way.) The only room for them is the room they usurp And the saving is at the spigot to waste at thebung. And the remedy? don't sell them; where they have neither two prices nor two names for the same thing; where Paris kid doesn't masquerade as French and machine sewed don't pass for hand sewed.

Its here. None but the best at the lowest prices, though best
